Foreword

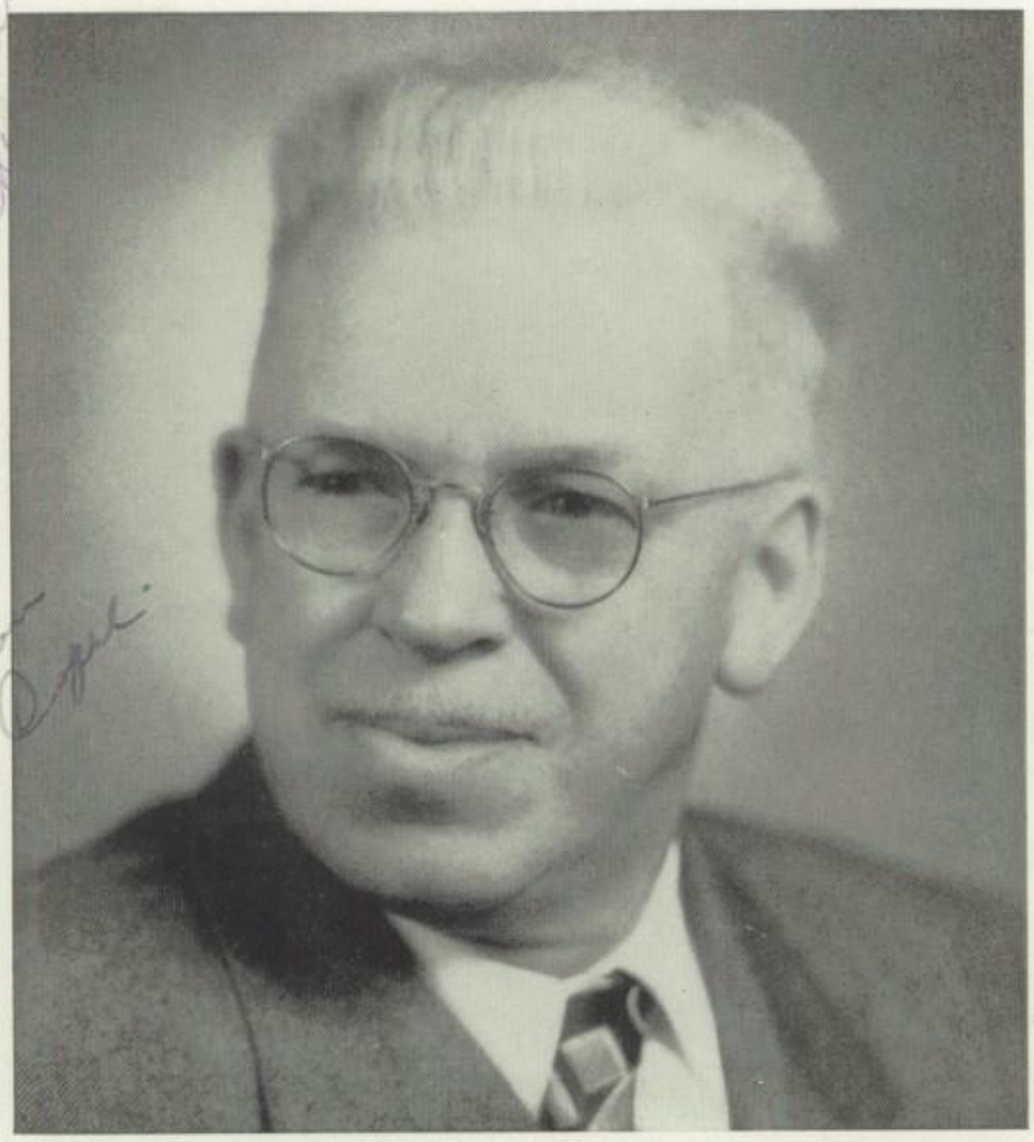
Within these walls comes the sound of an opening door . . . a scurry of feet down the hall . . . fast . . . faster . . . "Good morning, Mr. Cole" . . . "Hey, Jimmy, wait for me!"

The clamor of a bell, the slam of metal lockers, the shuffle of hurrying feet is heard . . . and then . . . sudden silence behind closed doors and in the corridors. Thus a day begins at Marshall.

Within these walls . . . sounds of discord drift down the stairs from practice rooms . . . and from below . . . barked commands of R.O.T.C. officers, "ONE-two-three-four . . . HUP-two-three-four . . . the clatter of many typewriters . . . blended voices from Mr. Zutz's chorus . . . the thud of a ball on a gym floor . . . shrill voices and shrieks from the girls' gym.

Warm sunlight, bright colors, and the peace of the library are glimpsed . . . busy heads bowed over work in various classrooms . . . the quiet efficiency of the main office.

Within these pages we attempt to present such glimpses of a day at Marshall . . . within these walls . . .



Dedication

To one who has left upon Marshall the indelible mark of a warm personality, the blessing of laughter, and a never failing smile . . .

To one who has served Marshall and her students in many capacities with his many kindnesses, his twinkling eyes, and his wise Irish stories . . . To him with deepest affection and respect we dedicate this book.

There was only one Mr. Brady and his memory will ever live within these walls.

Within These Walls.....

When we were young enough to be susceptible to fairy tales, nearly all of us believed in the glamorous transformation that could be consummated at the touch of the good fairy's wand. As we grew up we became so realistic and so prosaic that we could scarcely admit that these tales ever intrigued us.

"Within these walls" there has come to pass a spectacular transformation as unique as any performed in fable. Inexperienced, shy and insecure Freshmen have learned that responsibilities are invariably bound to privileges. These same Freshmen have gained in poise, experience and graciousness until they surprise not only the staff, but themselves as well. The perpetual growth of Freshmen into well rounded Seniors is a wonder of the age. It occurs "within these walls". Congratulations on your achievements, Marshallites.

SWIMMING

Among important warm weather activities is spring athletic training.

Get on your mark. Get set and splash. . . . The swimming team is on the way to victories that it will chalk up in the fall.

FOOTBALL

Practice in punting, passing, tackling, and intercepting are skills to be developed in the spring for fall commando victories. Heavy football uniforms may be hard to take on warm June days, but the effort will pay off in November victories.

"Marshall, we are loyal to you,
Marshall, we will ever be true."

A familiar melody and words continually heard throughout the year at a football game, a freshie assembly or various other activities, is the "Marshall Loyalty Song." The significance of this song's words is unlimited from the very first line to the last two:

"None can change us, none can blame us,
We're all for you, Marshall High!"

The loyalty of Marshallites is due to a combination of the friendly relationship between students and teachers joining in pride for high standards of scholastic rating, trophies won by our teams, our music awards and the genial atmosphere in halls and classrooms, growing attachment to Marshall, semester after semester, and a feeling of pride at the mention of the school's name, even long after graduation. To many who have left, remembrances of happy days remind them that they once were a part of this community.

Those who have contributed largely to our pride in Marshall are the teachers, those who give additional time, kindly advice, and understanding to the many who come to learn. The teacher-student relationship is a strong bond holding a school together, making it a better place.

Faculty

After one semester on Marshall's faculty, Miss O'Rourke, Mr. Willeford, Mr. Geraghty, Mrs. Wolffe, and Miss Dampier left us.

During the second semester, Miss Cassidy served as assistant principal, while Mrs. Woolsey was on leave of absence. Miss Wegat replaced Miss Cassidy in the attendance office while Mr. Heinle and Mrs. Shaumette were added to the language department. Mrs. Melnyk was again with us to teach mathematics and Miss McClellan returned after nearly two semesters' absence due to illness.

The library, presided over by Miss Annie Batchelder with the assistance of Miss Nancy Palumbo, Mrs. Alice McDonnell and Miss Frances Howland, is equipped with all types of books that are always available to Marshall students.

Mrs. Amy Kuehn of the Girls' Gym department seems to be having a cozy chat with the mother of a Marshall student.

Teachers of the Social Studies department, interchanging notes, are Mr. Erno Pletcher, Mr. Gerritt Mouw, Mrs. Bernice Lee, Miss Blossom Homan, and Mr. David Katz.

Two men, who have been of great service and value to the school in both their teaching and personnel activities, are Mr. Gerritt Mouw, and Mr. Harry Wagner.

A representative group of our Science department includes Mrs. Ruth Wollet, Mr. Walter Juhnke, Mr. Earl Kennedy, Miss Lorraine Bremner, and Miss Elizabeth Jaglowski.

Though teachers come and go, haunting memories linger, of facts they taught, counsel they gave, and encouragement which came at the right moment.

That's why we sing,

"Pride for you shall never no, never die
We're all for you, Marshall High."

Scientists At Work

Will it blow up? Members of Mrs. Scott's 1B Science class seem to have perfect confidence in the outcome as they watch closely in the first picture. T. Berry holds up his test tube for inspection, while A. Tucker and M. Worth seem to be engrossed in other scientific interests.

Weighing in! "I hope I haven't gained!" must be the thought in B. Scott's mind as D. Silverman adjusts the scale and R. Watson records the weight of each student. In the second picture Mr. Wagner measures J. Harris as J. McDaniels records his height. Just imagine the change in his height by the time he becomes a senior!

Returning to the class room at the end of the day, the students listen to a discussion of their project by Mr. Bossing.

Clothing

Inspired by the famed Parisian fashion salons is the outfit under construction by C. Pichereau. J. Mitchell and E. Schwartz adjust hem and seams. C. Dennis and B. Senioritis?

Seniors

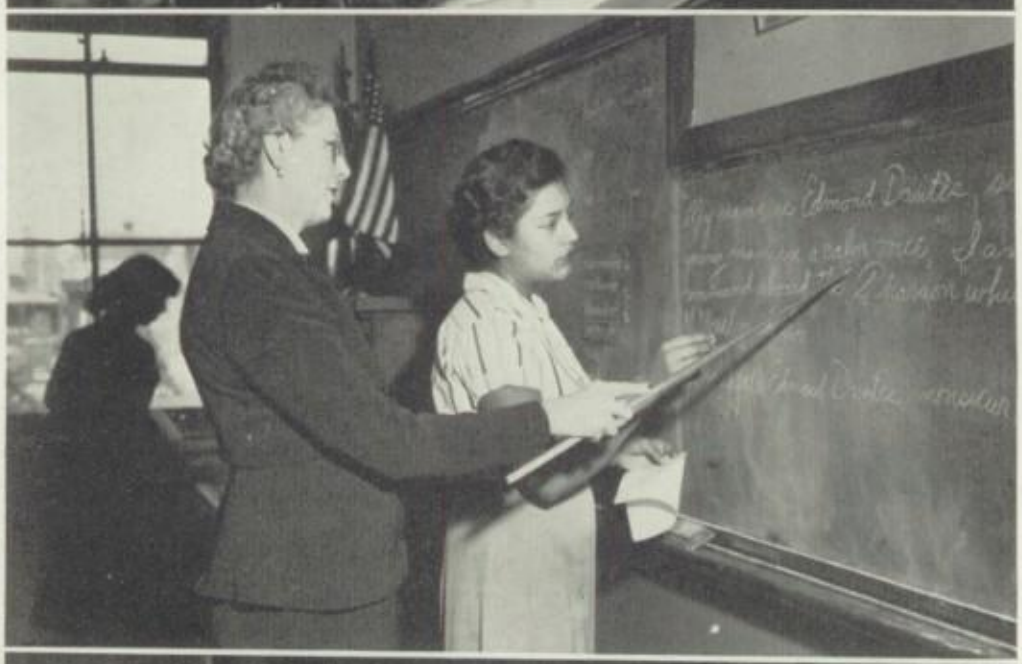
T'le best of luck Harvey Saffir

Chemistry

A chem experiment with Mr. Saffir! The watchful eyes of junior scientists A. April, D. Bratkovic, and J. Adelman prove how fascinating chemicals can be. J. Cantor takes notes as R. Brill measures minute quantities of acids. Such earnest concentration, Mr. Edelcup, should result in absolute accuracy. Assisting Norman, P. Eisner studies the results with pride and apprehension. "Slow but sure" seems to be the motto followed by A. Davis who filters chemicals through a funnel. Taking notes on the finished process, are B. Kahn, J. Foreman and P. Witt who thoughtfully regard their handiwork. That's a large crowd around that back desk. P. Horowitz finds M. Richman's experiment complicated, but A. Maslov, L. Miller and M. Listick enjoy someone else's efforts.

English

English 8 is one of the imaginative classes in senior year. **Seated** here is J. Randall, obviously enthralled by her book while P. Stopeck and N. Tobin, judging from their expressions, agree with her choice. R. Yedlin is in deep meditation while E. Weiner studies diligently. M. Richman, is that an English book before you, so conspicuously hidden by your purse? With all those books on her desk, M. Linke might be either studying or snatching a little shut-eye. C. Schwartz and R. Shapiro get right down to business. Having finished his reading, P. Witt answers the inevitable questions at the end of an assignment. M. Ginsburg evidently enjoys that story; his smile is one of apparent amusement. Can't answer questions without a loaded pen, R. Echales. M. Goldstein wears a puzzled expression . . . it's a nasty problem. Mrs. Fisher seems pleased with the work of F. Allen, as B. Bennett and P. Chapman breathe a sigh of relief at having passed inspection.



Spanish

Y. Bowman shares her interesting letter from a Spanish correspondent with A. Bachert, while F. Pollack and J. Bell read another letter together. All the students in the advanced Spanish classes have pen pals from Spain or South America who help them in mastering the foreign language. D. Kimmel points out pictures of interesting places to visit on a trip to South America while B. Pevan, P. Bocian, and A. Angiolo tell the class about them.

French

In the advanced French class, J. Gater, R. Harris, D. Herson, A. Margolis in row 1; J. Moore, A. Perez, R. Pianko, C. Pichereau, F. Edelman in row 2; M. Rothleder, B. Schallman, S. Shapero, V. Shapiro, R. Drucker, J. Derouard, M. Furst in row 3; and V. Staikoff, C. Thomas, S. Wolfson, D. Drucker, N. Auclair, I. Atlas, R. Denenberg in row 4 listen enthusiastically to Mrs. Sheridan's unraveling of the tale of "Le Comte de Monte-Cristo." At the board, Mrs. Sheridan points out certain phrases to A. Perez.

German

M. Dozoretz and S. Potekin get some extra tutoring from Miss Wegat after class as they confer with her over their German book.

Foods

Foods, a most interesting topic which appeals to us all, is the subject taught in Mrs. Schroeder's class. In the **top left picture** M. Arrington, C. Brewton, S. Baum and B. Overton set the table to serve the apple pie that they will prepare and eat. B. Howton and A. Fenton pare apples while M. Pastore busies herself sifting flour. Mrs. Schroeder **(lower left picture)** demonstrates how to make a pie to attentive students: M. Luellen, T. Ramos, and C. Stastny; in row 2: L. Robinson, F. Greenfield, and D. Campbell; in row 3: D. Pigg, L. Henich, and P. Atkins; in row 4: R. Rudman, F. Sims, M. Kuklinski, and D. Meister. In preparation for making cupcakes N. Vizzini, R. Jackson, M. Johnson, B. Rice, G. Ridgeway, B. Shanks, and H. Roach beat eggs and sift flour **(second picture right)**.

History of Art

K. Sannes points out pictures in History of Art to B. Altenberg while Mrs. Kapsa and H. Foster do a little research.

Public Speaking

E. Warshawsky speaks enthusiastically in the Public Speaking class to R. Gedansky, M. Levin, M. Buxbaum, and M. Alter, an attentive audience.

Modern Office Practice

Nimble fingers and quick action is the slogan for the girls in Mrs. Mayer's Modern Office Practice. Students seated in row 1 are S. Minus and K. Gorlick busy in the stock control department while B. Jacoby also in row 1 is dealing with billing matters. Row 2 includes D. Tabb and E. Stephens who are also part of the important billing depar'ment. Mrs. Mayer supervises both groups.

Steno

The alert girls of the Steno and Transcription class study to be as quick with their pencils as Miss Kerby is with her dictation. Hoping to be ready soon to go out into business positions are, in row 1: D. Druker, R. Echales, S. Gallo, J. Ginsburg, E. Glassman, and S. Goodman; row 2: S. Greenblatt, E. Hajzl, P. Harris, G. Hillman, and P. Horwitz; row 3: U. Lee, J. Levin, and S. Levin; row 4: J. Randall, D. Rosenthal, and D. Schultz; in row 5 is E. Weiner.

Civics

Mr. Pletcher asks if his Civics class has any questions. In row 1: B. Rieff, L. Schaider; and in row 2: J. Sklar and S. Stone by their silence indicate that they have no questions. Not only is this Civics class up to date on the past history of our nation but also on current events as shown by J. Myers; row 2: B. Gottlieb, S. Greenman, S. Grass, and in row 3: M. Edelcup, P. Eisner, M. Gater, E. Drucker, M. Ginsburg, and L. Glazer; in row 4: J. Adelman, F. Allen, Y. Bowman, D. Drucker, J. Ginsburg, P. Horwitz, C. Boaz, and A. Davis who are all busily reading **Our Times**.

Marshall News

When, every second Friday, the Marshall **News** is distributed to some 2,100 students, a small but hardy group of editors, assistants, and cubs sit back, take a long deep breath and feast their tired but happy eyes upon the result of their two-week's journalistic endeavor. But only for a brief moment do they rest. Back again to the task of checking beats, writing copy, reading proof on galley they must go. The work and toil of this group never ceases . . .

Continuing this year to produce a publication worthy of praise, the **News** staff succeeded in making several important changes, most noticeably in editorial page style and new feature columns.

The first semester editors, Donna, Merrill, Leah, Denise, Judy and the twins were so efficient that it seemed that it would be difficult to find editors to follow them. But part of their efficiency was their ability to train their assistants to become equally fine leaders for the Spring semester. Howie, Marcia, Sheila, Sheldon, and Barbara took over in January and produced an equally outstanding publication.

Boosting their sales, the **News** provided the Knickerbocker Quartet for the assembly on December 10 and the Stellar Schmidt's, tumbling team, for the Spring Activity Fee assembly on April 21.

Marshall Review

Dear Ruthie, Sookie, Mickey, and Sidney:

So now you are reading the '53 REVIEW which we all started a year ago with the high hopes that we trust you will feel were justified.

We have tried hard to keep to the plans and the schedules you left us, but sometimes it has been tough going because of unexpected complications. Some pictures we were not able to schedule or they did not turn out as we planned.

So you will find some pages considerably changed, and you will miss some of the things we hoped to include.

You remember our dinner at Stouffer's on January 20th when the NEWS and REVIEW editors announced their successors for the new semester.

Then it seemed as though we had such a long time ahead of us, but actually it has been all too short for the many things we had to do.

At our banquet on May 26, Quill and Scroll awards were given to the senior NEWS and REVIEW editors who, as always, were thrilled at the honor of receiving this international high school journalistic recognition.

Sincerely,
Sandy F., Libby, Sandy C.,
Anne, Elaine, and Harold

S. Picciolo, C. Shapiro, R. Root, J. Schrieber, E. Burack, B. Capri, S. Baxter, G. Pall, B. Falstein, E. Klein, W. Levins, D. Ginsberg.

The drama club under the supervision of Mr. Bioff is one of the outstanding organizations at Marshall High school. During the fall frolics the Drama club presented "Pot Boilers," with leading parts portrayed by Leah Stern and Sam Gordon. An Armistice Day program was given in conjunction with other schools. The club is now working on "Poor Maddelena" a play which will be given in the Little Theater. The fine acting ability of the Drama club has been witnessed and enjoyed by Marshallites throughout the year.

Railroad Club

MR. SANGER

F. Cohen, J. Campbell, F. Rosenbaum.

The Railroad club under the direction of Mr. Sanger is the only one of its kind in any Chicago high school. The club has built its own layout and deals primarily with the construction of Railroad models, tracks and the creation of its own scenery, with the artistic work done by Mr. Sanger and the club members. Among the projects which the club has in mind are the enrollment of more students and the creation of more scenery and railroads.

Band

Throughout almost any period during the day, whether in the midst of solving an algebra problem or writing an English composition, one is bound to hear strange sounds coming from one of the rooms on the third floor in the new building. These noises are the result of the efforts of the ambitious freshie group, the hard-working advanced group, or maybe the Swing Band practicing in the Band Room.

Here under the capable instruction of Mr. Pranno and Mr. Simmons, those who are interested in playing musical instruments gather to learn, to practice, and to produce the music played at the many assemblies, the entertaining concerts given during the day or evening, and in contests either solo or in groups.

Orchestra

Marshall's Orchestra, under the able hand of Mr. Ralph Lewis, is one of the outstanding organizations in the school, and has contributed to many of our interesting programs. The young musicians playing at various activities held during the year start as freshies with practically no knowledge of the instruments they expect to play. They soon become proficient, each contributing his share to the organization.

Besides assisting in assemblies, playing at the National Honor Society Induction, and at the graduation ceremonies of each semester, the Orchestra sustains itself by giving concerts, the money from which goes for new instruments and music scores. Competing with other school orchestra groups aids the students to maintain high standards, and enriches them with unforgettable experience.

Braille Department

Marshallites have reason to be proud of the Braille department, the only one of its kind in Chicago. Here students from throughout the city are transported to and from the school by means of a special bus.

This semester the two divisions, under the supervision of Miss Donahue and Mrs. Potnick, included six freshies and a graduating senior.

Room 111, home of the department, is one of the most pleasingly decorated departments in the school. The pale green walls and deep green chairs blend nicely with the green printed drapes in the social room which contains a radio, chairs, couches, and a piano.

Marshall's Braille divisions this semester were provided with a new blonde oak radio and phonograph combination by the school board.

William Johnson, class of June '45, former Braille club president, regained his eyesight after an operation in April of this year. Bill served Marshall as an M.C.A. delegate, NEWS assistant editor, and he was a member of the National Honor Society.

During the past two semesters, Mrs. Potnick has enrolled fifty-four and Miss Donahue fifty-two Marshallites as Braille readers, a position for which they receive service points. By reading textbooks and outside material to the Braille students and writing papers for them, the readers help the students with their homework assignments.

Sept. 12—Marshall vs. Tuley—The first game of the season was evenly fought, but Marshall managed to win over the team which later went on to win its section's title. Tuley's squad outplayed Marshall during the first half, but Tuley's penalties and a tough Marshall defense kept the first half scoreless. On their first series of plays in the second half, Tuley scored. After that it was all Marshall as Finley ran twenty-two yards for a touch down. In the last quarter, the Commandos managed to score two more touchdowns for the final score.

Sept. 26—Marshall vs. Kelvyn Park—Marshall opened the 1952 League Football season with a 13-2 defeat at the hands of Kelvyn Park at Rockne Stadium. A forty yard run led to the Panther's first touchdown in the second quarter. . . . The final Panther tally came on a pass interception in the last seconds of the first half. This was followed by the conversion to make the score 13-0 at half time. A fumbled pass from center in the end zone gave the Commandos a two point safety early in the second half. Galante's run from deep in Marshall territory to the Panther 28 was the highpoint in the Marshall scheme of things.

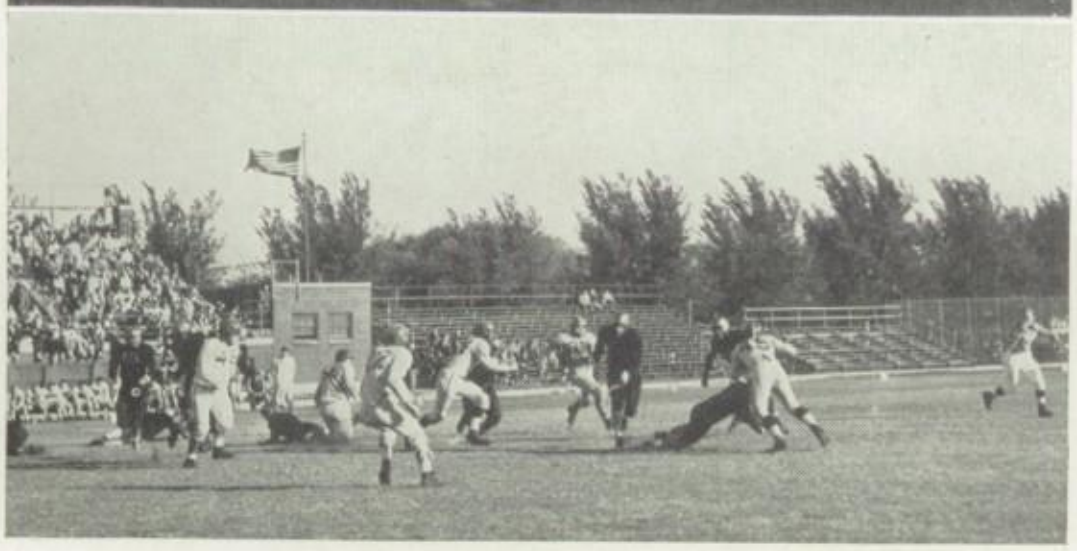
Oct. 3—Marshall vs. Amundsen—Marshall's league clash with Amundsen saw the Commandos coming out on the short end of a 22-6 score. After Marshall's defense held Amundsen's Vikings scoreless in the opening quarter, Amundsen's scoring machine started to click by scoring two touchdowns followed by an extra point and a safety to bring the score total to a 15-0 deficit for the Commandos. Mitchell intercepted a pass to account for the only Commando touchdown. The Vikings scored again in the last quarter to complete the day's work.

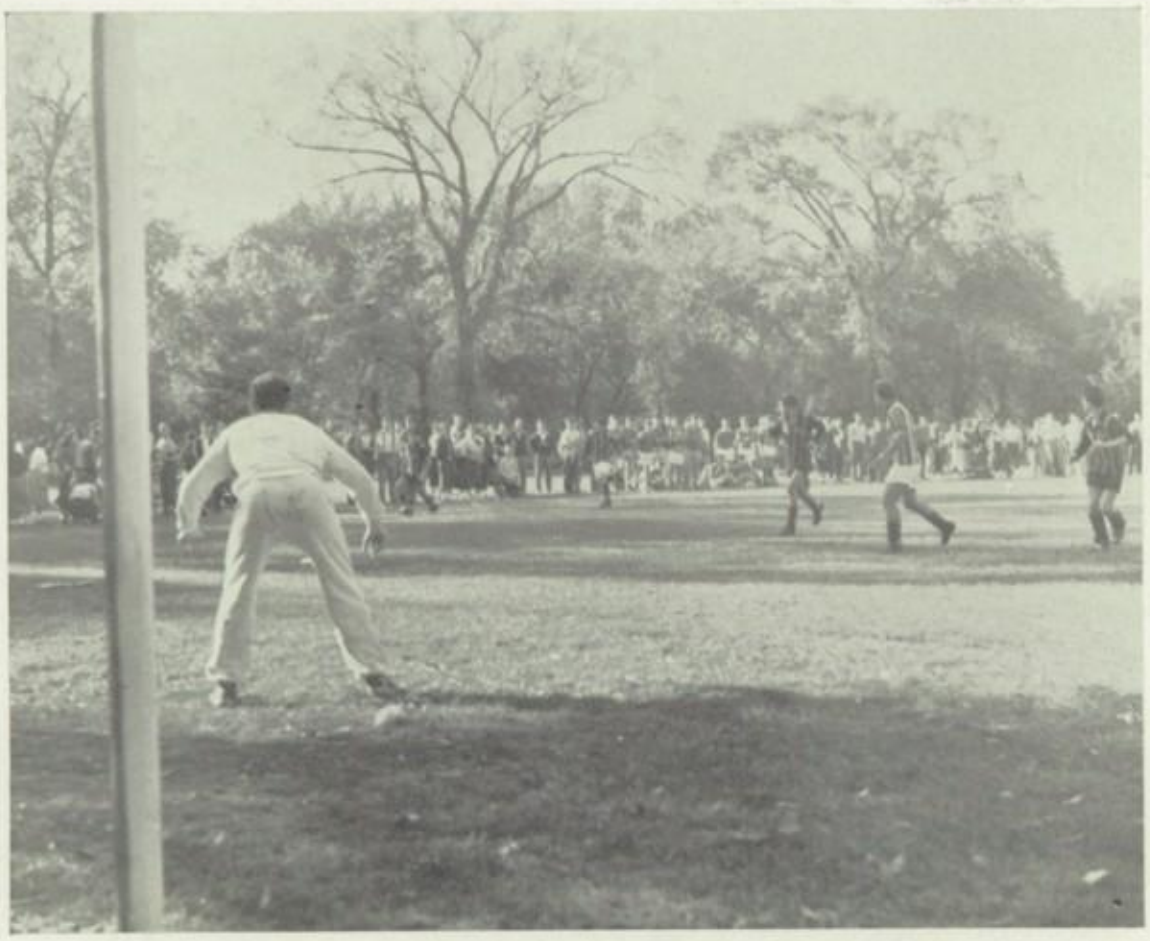
Oct. 10—Marshall vs. Steinmetz—Marshall showed little success in scoring as a powerful Steinmetz scored 30-6 at Hanson Park. Steinmetz's title contenders were sparked by quarter back Norris's southpaw passes and Joe Rizzi's runs. Marshall's only counter came as a result of a sixty yard march in the third quarter. Steinmetz managed to score a touchdown in every quarter including two in the second quarter. Marshall's only consolation was the fact that it was to be the only team to score against Steinmetz in three regular season games.



Oct. 17—Marshall vs. Taft—A slim and chilled crowd watched Taft hand the Commandos a 13-0 defeat as the Commandos suffered their fourth straight setback. The Taftmen took advantage of a Marshall fumble on a pass from center in the first period to take a 6-0 lead. Taft added another 7 points to their margin in the second half of the game for insurance. The Commandos had many short-lived rallies which were ended by Marshall fumbles.

Oct. 23—Marshall vs. Roosevelt—Marshall's gridiron heroes escaped the White Division's cellar by humiliating Roosevelt 25-0 and thereby dropping the Roosevelt team into the league's cellar in the season's final regulation contest. The Commandos broke the ice with a safety resulting from a blocked punt that went out of the end zone. Marshall added to its point total with Ray Galante's touchdown and Frank Leone's point after touchdown to give the Commandos a 9-0 lead at the end of the first quarter. The Marshallites continued pressing and lost the ball on downs on the Roosevelt one inch marker. However the Commandos managed to score another safety in the same way as the first two-pointer was tallied. Two more touchdowns, followed by extra points, were scored in the last half, one in each quarter. Marshall thus left Hanson Park with a 25-0 triumph, and for the first time during the season made all three conversions attempted.

Marshall vs. Farragut—The Marshall football team climaxed the 1952 grid campaign with an astounding 38-6 exhibition triumph over an outclassed Farragut squad. Ed Finley and Ray Galante put the Marshallites on the scoreboard via the touchdown route 12-0 in the first period. The point after touchdown followed to make it 13-0. Galante, playing his last game with the Maroon and Gold, duplicated this feat in the second quarter with the help of Frank Leone. Farragut countered in the final quarter to avoid a shutout with Rudy Mudjer carrying the ball. Two more touchdowns were added in the final quarter by Marshall with Ray Galante tallying both times.



Soccer

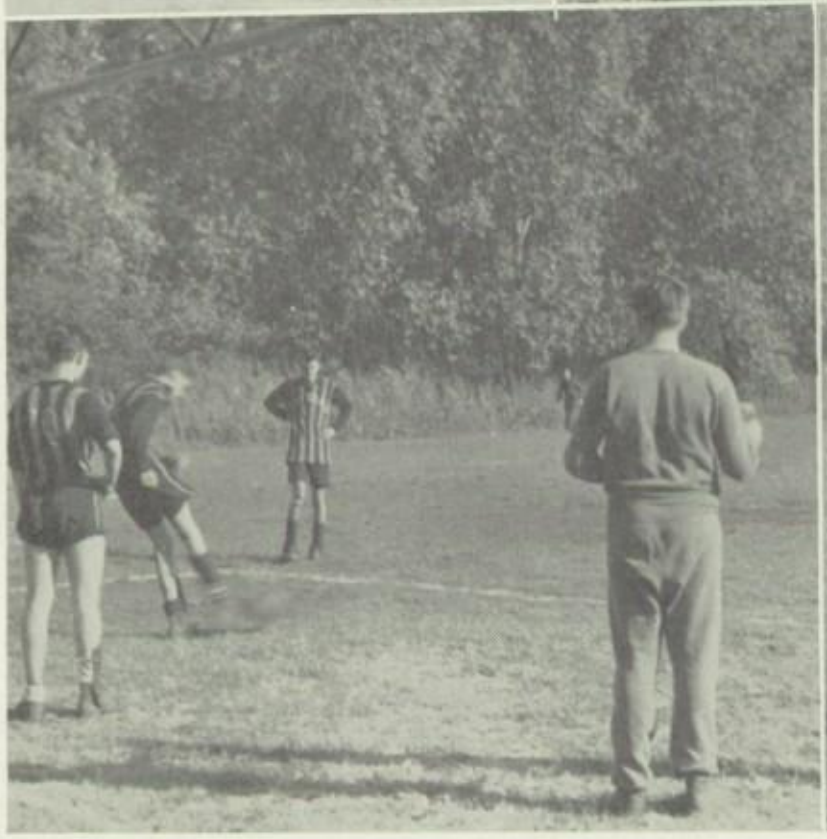
Row 1: A. Rabat, manager; J. Winberg, I. Ross, C. Kirsh, captain; M. Chasen, B. Hammer, S. Granick, J. Astrachan; **row 2:** Mr. J. Klem, coach; L. Polisky, W. Wasiak, M. Berger, L. Morgan, A. Fox, M. Ginsburg, assistant manager; Silverman.

Altho Marshall has one of the smallest soccer teams in the city, they showed more fight this season than many larger teams. Coached by Mr. Klem, Marshall finished its league schedule with a record of two wins, one tie, and nine losses to gain a tie for fifth place with McKinley. However in its exhibition games, the Commando soccer squad fared much better, gaining a tie with Oak Park, which later became State Champion, and a win over Lake Forest. Marshall's first league game gave an indication of how the season was to go as we lost 8-2 to a Schurz team, which wound up in first place at the season's end. The Commandos bounced back after the Schurz defeat to tie Von Steuben, a traditional opponent, 2-2.

Because of the Commando squad's youth and lack of experience, the soccer team lost the next five games to older and more experienced teams. Von Steuben proved to be our favorite opponent as they became the first of two teams to be defeated by Marshall in the 1952 league soccer season. Cal Kirsh, Marshall's goalie, had to make very few saves in that game, as his teammates backed him up with fine defensive work. The second McKinley game saw Marshall score a goal in the last few minutes to win 2-0. In the second Lane game, Les Polisky scored two goals, an accomplishment the whole Marshall team had been unable to perform all season. Nevertheless, the Commandos succumbed to the powerful Lane team 8-4.



One of the most exciting soccer games the Commandos played was the exhibition match with Oak Park. Oak Park managed to score one point in the first half despite the brilliant goal-tending by Marshall's Cal Kirsh. The Commando team displayed the fight and spirit that had made other Marshall soccer squads famous in the past by holding Oak Park to such a close score. In the closing minutes of the second half, the Commandos started a rush at the Oak Park net only to be stopped by a foul. Bill Wasiak then came in and made the foul shot to tie the score at 1-1 which remained as the final score. Much of the credit for this tie could be placed on goalie Kirsh who made 61 saves. In the Lake Forest game, Marshall won 1-0 as goalie Kirsh shut out our opponents.

One of the brightest spots in this season's play could be found in the fine goal tending by Cal Kirsh. His fine spirit and defensive work was recognized by the other coaches who placed him on the first-string of the all-city team. Kirsh also made all-state. In most of the games, Kirsh had to hold the opposing team to one point to insure a victory. Bill Wasiak also placed on the squad at half-back. Another Marshall player, Joe Astrachan, also made all-state on the second-string team. Les Polisky's fine ballhandling was another bright spot in this season's play. Since all of these players are returning next season, Marshall's record will most likely improve over this year's performance. Much credit must be given to Coach Klem who instilled fight and spirit into the team.

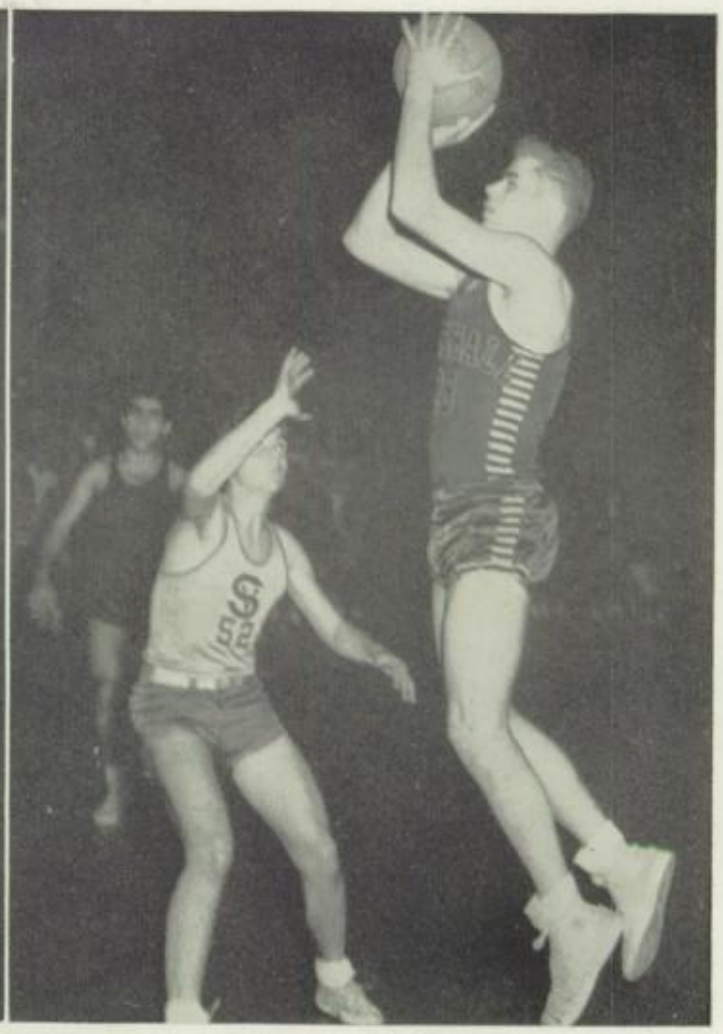
In their first year of existence, the Commando Frosh-Soph proved to be very successful. Altho they lost their first league game to McKinley 55-32, they came back to win all except one of their other league games and to take third place in West Section with an 8-2 record. In the play-offs, the Frosh-Soph managed to win over CVS 33-30 but they were eliminated by McKinley 56-38.

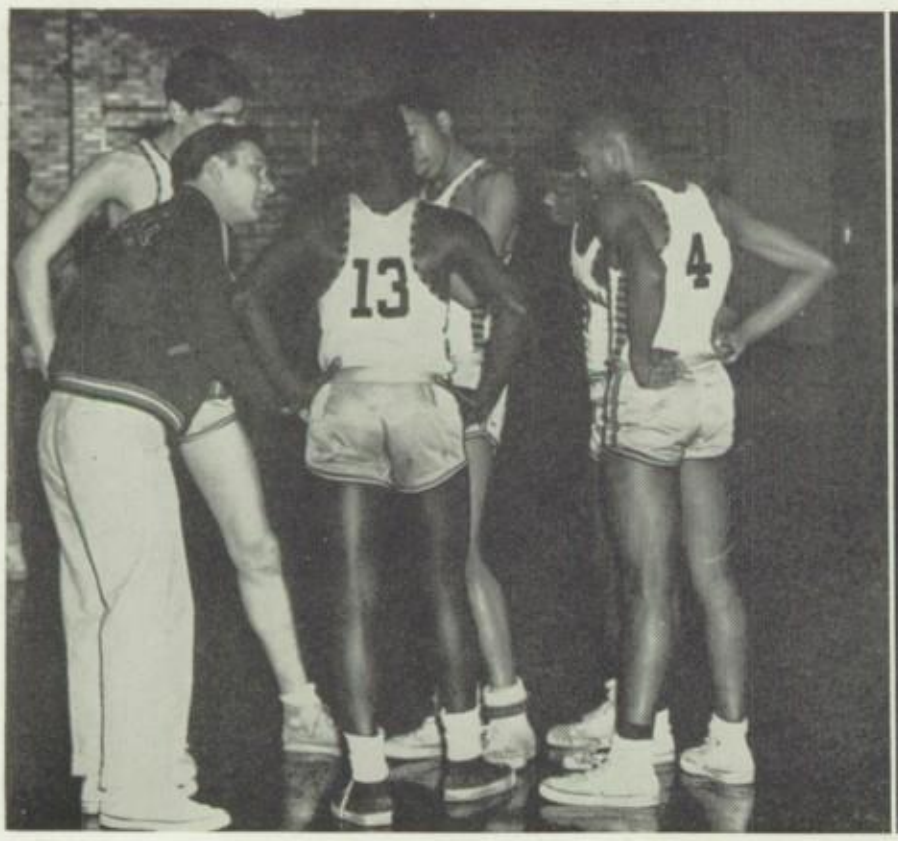


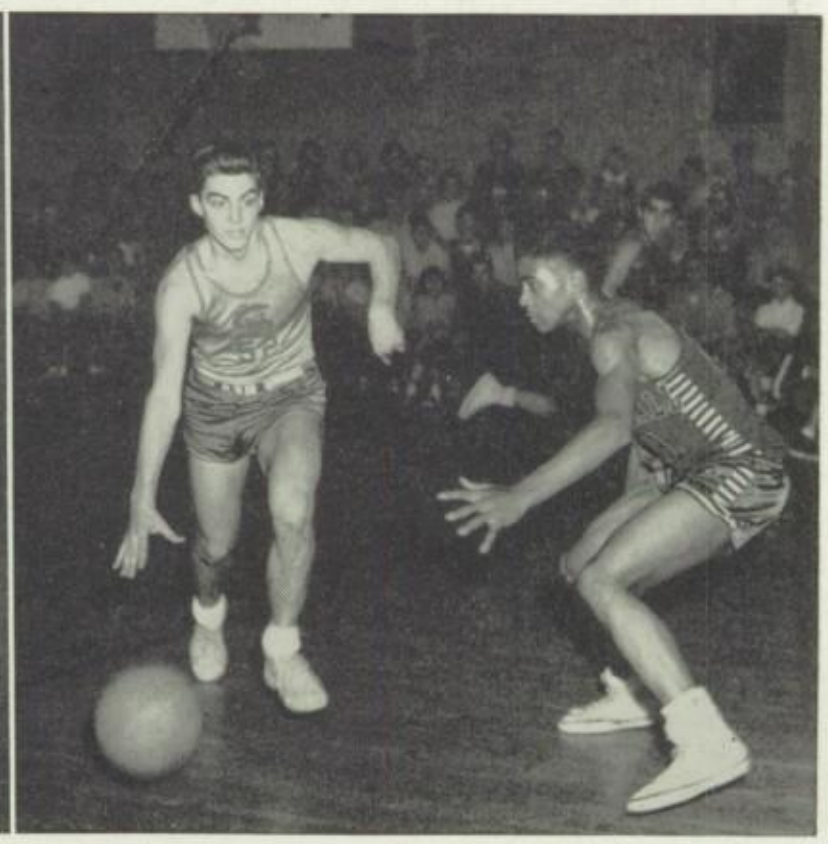
MARSHALL vs. McKINLEY—Although the Marshall team put up a hard fight, they lost the first league game by a score of 65 to 58. Leading scorers for Marshall were Warshawsky, Levin, and Pitts with 16, 12, and 9 points respectively.

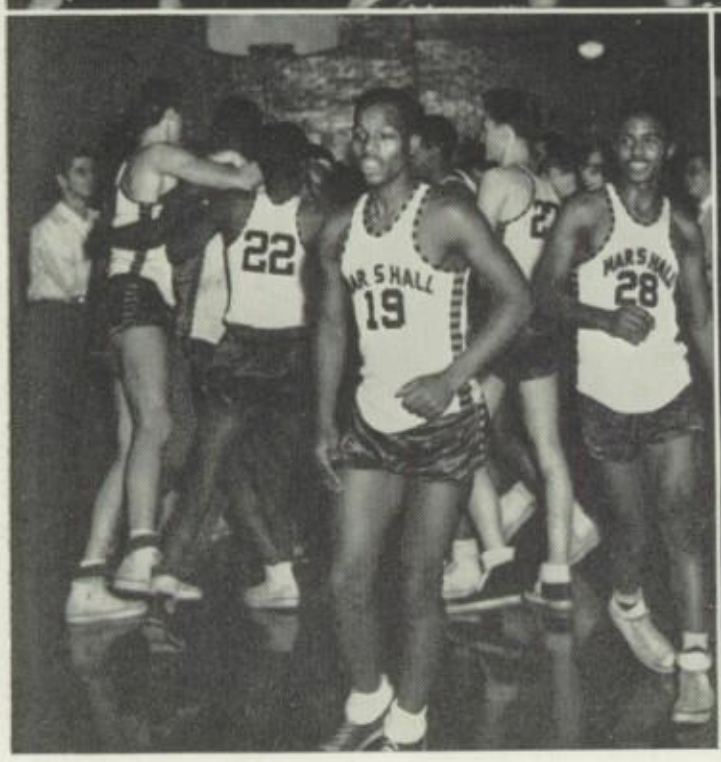
MARSHALL vs. AUSTIN—The Austin game proved to be very close, Austin nearly tying the score at the beginning of the second period. The Commandos, however, quickly rallied to win the game by a score of 74 to 45. Pacing the Commandos to victory was Norm Levin with 19 points. Viner, Pitts, Freeman and Warshawsky scored 12, 10, 9, and 7 points respectively.

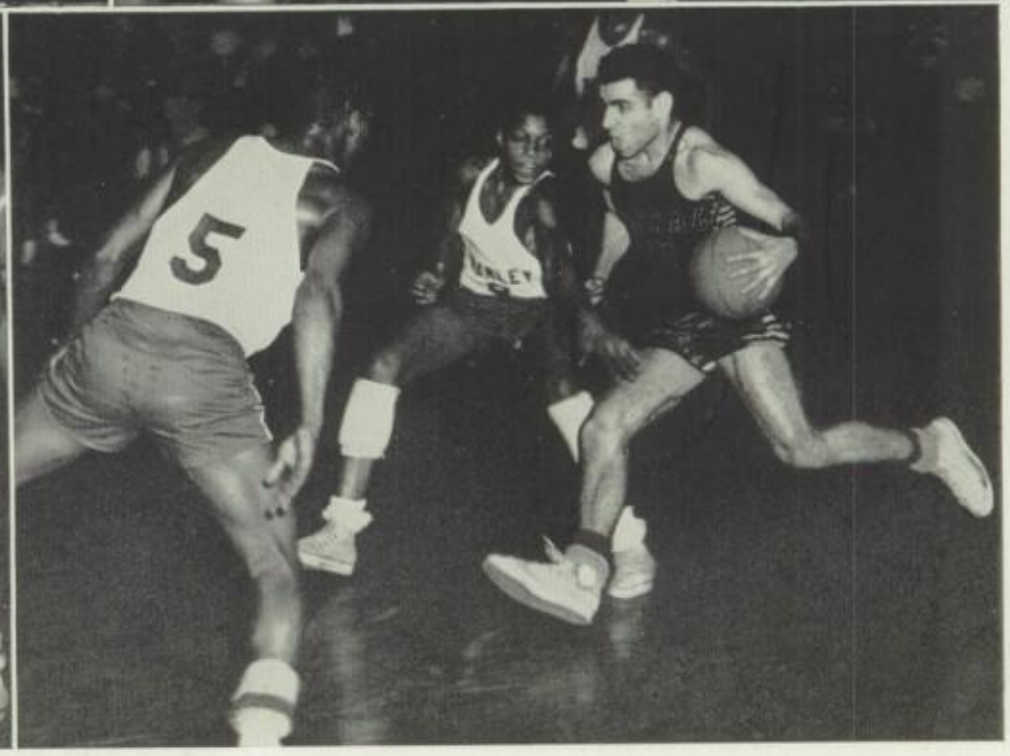
MARSHALL vs. WELLS—In one of the most important games of the season, the Commandos rallied in the third period to beat Wells 65 to 58 and hold high-scoring Abe Booker to only 15 points. Leading scorer for Marshall was Norm Levin who put in a total of 24 points with Fillmore Freeman coming next with 17 points.

MARSHALL vs. MANLEY—In a seesaw battle which saw the lead change almost a half dozen times, the Commandos wiped out a nine point Manley lead to win 70 to 62. Norm Levin and Fillmore Freeman led the Commando attack, putting in 26 and 21 points respectively.









MARSHALL vs. FOREMAN—Altho handicapped by the absence of Capt. Norm Levin for most of the game, the Commandos overcame a highly rated Foreman team 71 to 53. The leading scorer for Marshall was Fillmore Freeman with a total of 27 points. Coming next in the scoring were Sheldon Clar, James Williams, Jesse Hill, and John Rutland with 12, 10, 9, and 8 points respectively.

MARSHALL vs. STEINMETZ—Marshall, led by Fillmore Freeman and Norm Levin, triumphed over Steinmetz 84 to 51 to give us our ninth straight victory and a tie for first place in the West Section. ILLINOIS TECH TOURNAMENT — Lake View, Marshall's first round foe, fell after a hard fought first half by a 56-35 score. Levin, Freeman, Warshawsky, and Viner scored 12, 11, 10, and 10 points to give Marshall balanced scoring. In second round play, the Commandos eliminated a taller Dunbar team 61-50. Dunbar shot ahead by 12 points early in the second quarter, but Marshall came back and gained the lead for good at 47-45 on 2 free throws by Freeman. Viner, Levin, and Freeman led the Commandos with 18, 14, and 10 points.

The quarter final game again saw Marshall come from behind to defeat McKinley 70-67. Levin led all Marshall scorers with 29 points. Marshall after losing most of the game went ahead for the first time at 47-46 late in the third quarter. The lead changed constantly and the score was tied four times in the next five minutes before the Commandos pulled away to stay. In a game that broke the hearts of the Marshall team, free throws in the final seconds broke a 70-all tie and enabled Roosevelt to win 72 to 70. The score of the game was tied 9 times with the lead exchanged 15 times. Marshall was leading 65-58 late in the fourth quarter but lost that lead and had to overcome a 70-66 Roosevelt lead. Warshawsky was the leading Marshall scorer with 16 points.

The battle for third place with Lane was a thriller all the way with Lane finally winning in overtime after dissipating an 11 point lead. Lane rolled up a 39-28 lead in the first three quarters but the Commandos rallied in the final period to deadlock the score at 44-all. Marshall's valiant uphill fight was all in vain as Lane won in overtime 47-46.

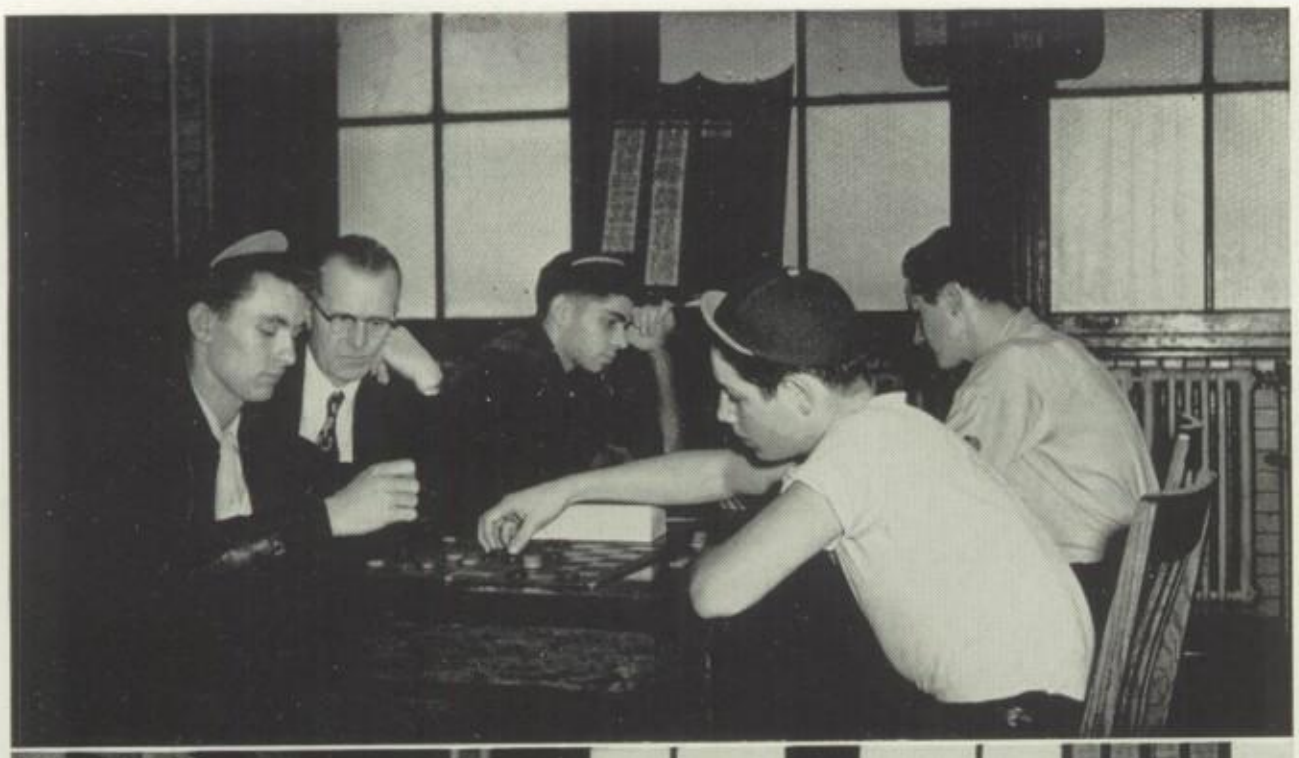
Swimming

The Senior Strokers were able to maintain a favorable record this year by winning five meets and losing only four. The Senior Strokers lost their first meet to Austin, but came back later in the season to triumph over Crane and Farragut. The Junior Strokers did much better, posting an 8-1 record. Their only loss of the season was in the Austin meet. The Seniors suffered injuries in the loss of Mike Pazzol during the City Meets and of Chuck Zlatkoff thru graduation in midseason.



M Club

The M Club, which is sponsored by Mr. Harvey Gunn, is open to boys who have received a letter in any one of the four sports offered at Marshall. "Potting" is an experience all members go through before becoming members. The "potting period" lasts five months or more depending on the individual and his semester in school. During the past two semesters ten boys have been admitted into the M Club. The boys are Mike Pazzol, Alan Friedlander, Harold Farber, Fillmore Freeman, Willie Marshall, Carl Minkus, Irvin Gothelf, Louis Hershovitz, Earl Horowitz, and Mel Ginsburg. Two of the many activities sponsored by the M Club are the annual alumni basketball night and the M Club Follies, presented on April 23. The funds received from all these projects are almost entirely used for the M Club scholarship. Each year the M Club gives a scholarship award to the most deserving member. The scholarship is based on scholastic standing and athletic ability.

Girls Sports

Girls' Physical Education

The Girls' Physical Education department, under the supervision of Miss Josephine Herlihy assisted by Miss May Froom, Miss Julia Schulte, Miss Theodora Burch, Mrs. Amy Kuehn, and Miss Catherine Donlon, has the responsibility of teaching the girls how to keep physically and mentally healthy. Besides the regular classes, the gym department's G.A.A. planned a Christmas party, splash and roller skating parties, and basketball and volleyball tournaments.

This year, for the first time in several years, girls' swim meets have been organized. Several volleyball tournaments between the G.A.A. point clubs were played, and, of course, the traditional game between the Girls' Letter Club and the boys' M Club.

For its part in the Fall Frolics, the Modern Dance group of the gym department presented a novelty dance, and later in the evening the gym was opened for social dancing and roller skating.

After school or during free periods, extra games classes are regularly offered to all the girls, and special tennis instruction during the spring. The Girls' Gym Department plays an important part in the daily schedule of every girl in Marshall.

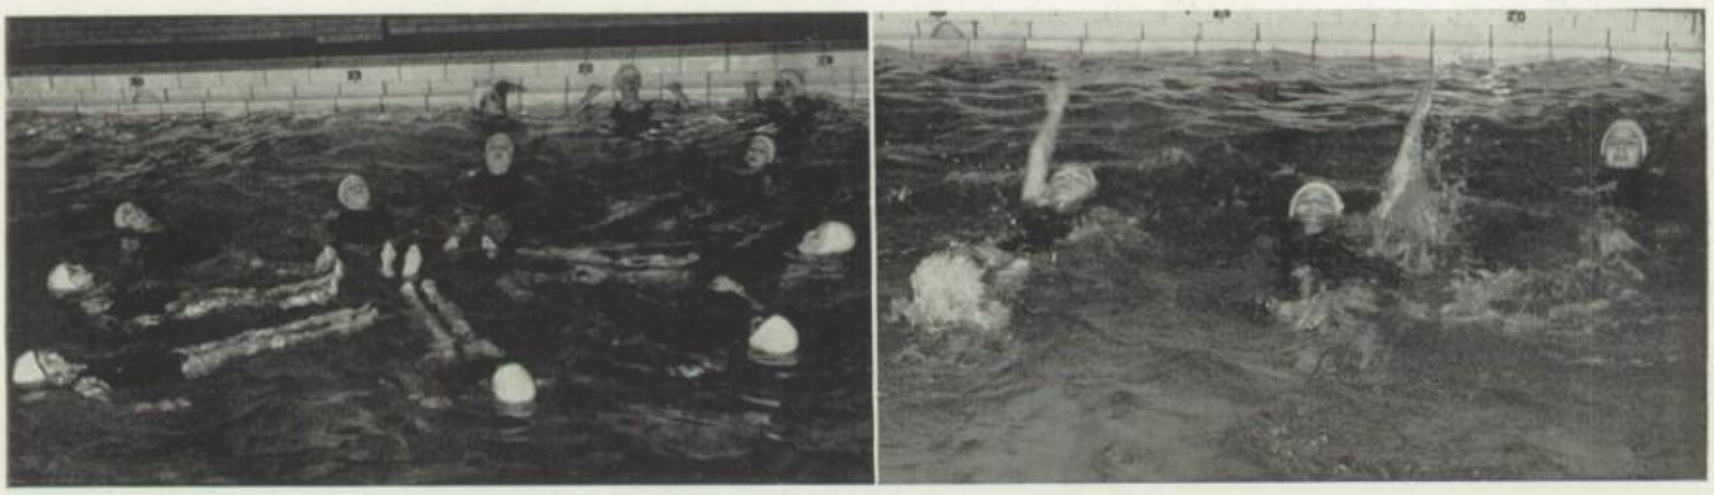
Modern Dance

At the Spring Festival in June of 1952 the Modern Dance Group, under Miss Theodora Burch, and Miss Eleanor Pall's ballet class presented a variety of charming and spirited dance forms, "Three Blind Mice," "Humpty Dumpty" and "The Lord's Prayer," among others.

Above are pictured one of the groups in the vivid and stirring "South American Ritual," which included Janet Strader, Sylvia Huff, Lynne Burrows, Elaine Burack, Elben Lyman, Kathleen Saanes, Alfrances Lyman, Azaleen Green, and Anita Llorrens.



Swimming

The swim stars at the lower left demonstrate what happens when a group of advanced swimmers get together and attempt to show their skill at the art of water ballet.

In the picture at the lower right, a few of the girls illustrate the back stroke, which is used in relay races and in passing Red Cross exams.

These girls represent swimmers from Miss Donlon's swim class in preparation for Red Cross life guard exams.

Dearest Francois

True — I have known you only four years, but — I have really gotten to know you. With your character, I am sure you will go places (and I don't mean in that contraption called a car!) if you try hard enough. I hope I will always remain your friend so I won't say good-bye but just so long for awhile. Always

Ellen Joyce Lyman

Congratulations

Graduates - - -

We here at Keystone are proud of the fact that we had a part in producing your yearbook.

For a great many years we have been privileged to work with schools throughout the country in the rewarding task of compiling class histories.

The school annual, which captures within its pages so many happy school day memories, is one of the most cherished products of the printing industry.
